MADE IN FRANCE

INTRODUCTION

BEYOND THE USEFUL

MODELEC is a French manufacturer of switches.

As an expert in the design and construction of cover plates and mechanisms, this industrialist a human scale has been shaping raw material since 1976, offering well thought-out solutions for simplified installation. Its core expertise combines form, function and finish, offering well-controlled designs that suit real-life needs.

NEW FEATURES IN THE HORIZON

At the end of 2024, our offer is evolving and expanding into new territories. Our Iris by MODELEC collection is now available in brass. The Iris Horizon range features brass plates in seven different finishes, that reflect light infinitely. The BUBOX range of watertight floorbox has rejoined MODELEC catalog, with its ideal solutions for both residential and commercial projects, with or without outdoor spaces. Finally, our home automation offer now includes turnkey solutions for all your connected projects

IRIS HORIZON

A Call to the Beyond

The Iris by MODELEEC collection ventures into new territories. Inspired by the golden age of space exploration and its retro-futuristic shapes, the Iris Horizon range is crafted entirely from brass.

A Captivating Design

With either mirrored or satin finishes, the softly edged plates reflect light infinitely, creating mesmerizing plays of light. Beams that take us on a journey to the very edge of light.

An invitation to explore new horizons, to rediscover the beauty of detail and the magic of everyday gestures.

Iris Horizon elevates your interior to a new dimension.
Available in 7 brass finishes, either mirrored or satin.

BUBOX BY MODELEC

Discover our IP67 watertight floorbox, combining modern design and cutting-edge technology to meet all your electrical needs, whether indoors or outdoors.

Designed to guarantee optimum protection against dust and water splashes, our floor sockets are ideal for demanding environments.

PROTECTION RATING

IP67 Closed socket

IP20 Opened socket

IK10 Shock resistance

2000 kg Crush resistance

INOX 316L Marine use, corrosion resistance

+120°C Maximum temperature

✓ TIMELESS DESIGN

A sleek, attractive cover with no visible screws, made from raw brushed brass or brushed 316L stainless steel, ideal for aggressive environments. Often used for marine applications, 316L stainless steel is highly resistant to corrosion (seaside, swimming pool...) A discreet, elegant design that blends harmoniously into both classic and contemporary interiors.

✓ INSTALLATION ON ANY TYPE OF FLOOR

For smoothed or waxed concrete, tiles, parquet, joists, hollow floors, wooden or stone terraces, etc.

✓ SAFETY

Automatic earthing, factory-fitted seals, anti-condensation drain included. A ready-to-install product, supplied with all installation accessories.

✓ ROBUSTNESS AND HIGH PROTECTION RATINGS

Our range of watertight floorbox has the highest protection ratings on the market, with high impact resistance (IK10) and crush resistance (2 tonnes). This protection is further enhanced by solid covers 5mm thick for **BUBOX CLASSIC** and 6mm thick for **BUBOX LINE**.

HOME AUTOMATION

What is home automation ?

CENTRALIZE

Home automation is defined as the methods used to connect various smart and interconnected electronic systems within a room, house, or any other building (for comfort, security, energy, etc.) through a single central control.

AUTOMATE

For a more autonomous home, control all your different devices, even remotely: manage lighting, blinds, energy, and more with a single button.

CUSTOMIZE

Reconfigure the functions of your devices as you wish, without complex integration: create a home that reflects your personal style with custom atmospheres.

HOME AUTOMATION

Our range of switches to control your home

● Integrated home automation p.38

● Semi-integrated home automation p.42

● Bluetooth home automation p.56

INTEGRATED HOME AUTOMATION

Confidence Collection

This turnkey solution includes a MODELEC mechanism with native KNX integration: the reference in home automation installation.

Installation and configuration are simplified with [Hager's KNX easy application](#). It provides endless possibilities: **up to 6 controls on the same plate**, with or without indicators (LED, infrared light). In addition to standard functions (ON/OFF or dimming), you can choose a KNX motion detector or a thermostat to match your push-button controls.

Our integrated home automation offer is only available in Confidence collection.

SEMI-INTEGRATED HOME AUTOMATION

M . Confidence . Fascination Collections

The semi-integrated solution is also a turnkey option, It consists of a MODELEC mechanism and a [pre-wired THEBEN input modul](#).

It easily installs and connects to your electrical system and has been developed for very low voltage currents, up to **48V**. The included protocol is KNX, the standard in home automation.

It offers broad possibilities: up to **5 controls on a single mechanism (equating to 15 functions)** and the option to add indicator lights (5V LED).

Plates and flat buttons can be engraved.

This range is available in the [M, Confidence et Fascination collections](#).

FLAT BUTTONS DIMENSIONS

- Square flat buttons dimensions : 12,5 x 12,5mm
- Round flat buttons dimensions : Ø12,5mm

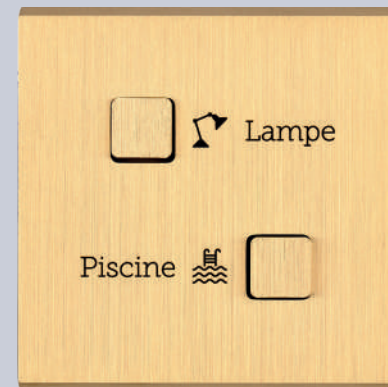

Buttons in whole material : brass, aluminium (M collection).

SPECIFICATIONS

- Round or square flat buttons
- With or without leds
- With or without screws

(Confidence and Fascination collections only.)

⚠ The operating voltage of the LED is 5V, a common value for a home automation input module. For 8V supplies, the 076KIT200 protection kit is mandatory. For higher voltages, please specify it when ordering.

BLUETOOTH HOME AUTOMATION

M Collection . Confidence Collection .

This solution includes an integrated Bluetooth mechanism (no input module required) for simplified installation.

You can choose between two mechanisms: [a dimmer](#) or [a roller shutter control](#).

The usage is very intuitive, as programming and scenarios can be managed via the Hager Mood app or activated with a simple press of the switch.

This solution is ideal for those new to home automation.

Available in the [M and Confidence collections](#).
